Disneyland announced the return of two favorite fanatics festivals that could not happen in 2021 as the park was still closed due to Covid-19. The annual Lunar New Year celebration will return from January 21 to February 13 and the Disney California Adventure Food & Wine Festival will continue in March. The celebration of the Lunar New Year will highlight the traditions of Chinese, Korean and Vietnamese cultures with "acts, special activities, culinary delights, beautiful Dé Cor, celebration merchandise and more", according to a Disney Parks blog post. As the new moon 2022 will bring the year of tiger, the dear Tigger character will be a leading juerguist at the festival. And, of course, at the forefront of Mulan's " Lunar New Year Celebration" will be Mulan and Mushu as they honor family and friendship, and fortune for next year. Other Disney characters like Mickey and Minnie, the Three Little Pigs and Ray of the new Disney movie " Raya and the Last Dragon" will also appear at the celebration. Lunar New Year at Disney California Adventure Park, Joshua Sudoek/Disneyland Resort During the Lunar New Year celebration, visitors will be able to visit cured markets with Asian cuisine. The selected food locations throughout the park will also feature food and drinks with the theme of the new lunar year during the festival. For the Food & Wine Festival, a dozen different markets will take over the park from March 4th to April 26th. The festival will be a delicious sample of California's best culinary experiences in the state's iconic regions and neighborhoods. Saturdays and Sundays throughout the festival period, chefs (including some will offer complimentary demonstrations and visitors can book additional signature experiences like wine receptions and mixology tastings. An inclusive "Sip and Savor Pass" will also be available for visitors who want to sample all the festival has to offer.
